Come have your animal companion blessed!

Animals have always been part of human communities. They delight us, entertain us and teach us about faithfulness, friendship, love, and forgiveness. They bring laughter, joy, comfort and companionship. **They are gifts from God!** Join us for a brief service of celebration and thanksgiving for our pets.

**All are welcome!
Please bring pets
in cages or on a
leash and ensure
that they are well-
behaved with
other animals and
humans. Thanks!**

**If your pet has
died or is not able
to attend, please
bring a picture or
a stuffed animal
to be blessed.**

**A treat bag and a
blessing card will
be provided to
every participant.**
